Toft Files For Mayor's Office

The battle for Village offices in the coming elections is shaping up with the filing of a second complete slate of candidates last week.

The latest slate, running under the banner of the Citizens Party, is headed by Raymond Toft, candidate for the Mayor's office; Ronald Vos, clerk; Vern Barnstable, Arthur Melendick and H. Roger Williams, incumbent, as candidates for the three trustee positions to be filled.

Toft's slate is opposed by a slate filed earlier, led by Mayor Murrill Cunningham,

running for re-election, with Clarence Shultz, incumbent, for clerk; and Einar Petersen, incumbent, Robert Wilton, Jr., and George Palaske seeking the trustee seats.

George Boyd is running as an Independent candidate for Mayor.

Trustees whose terms expire this spring are Ernest Glenn, Roger Williams and Einar Petersen.

Last day for filing of petitions is March 1. Candidates have five days after this date to withdraw their petitions.

Secretary of State Paul Powell has announced that the deadline for display of 1965 motor vehicle licenses will be March 1, instead of the former Feb. 15 deadline.

Last Chance At Bridge Tourney

Step right up, folks. Pay your money and join the fun. For one final, one-half of a sawbuck, just five measly little one-dollar bills, you can have a good time, find friends and maybe become the King (or Queen) of Antioch bridge-players.

Reservations are pouring in for the second annual Lions Bridge tournament, which starts Monday, February 22. Deadline for entries is Friday, February 19.

Entry blanks may be obtained from Howard Shepard at the Antioch News, Pres Reckers at the State Bank of Antioch, Dr. Bobzien or Dr. Kopriva.

Defending champions Mr. and Mrs. John Dupre will be among the contestants this year. So will runners-up Mrs. Harold Gaston and Mrs. Clyde Queen.

The champion couple are determined by elimination. This year, the rules have been changed slightly, so that each couple will get at least three chances to test their skill and/or luck.

Entries will be separated into groups of four teams. Each team will play every other team into the group. Teams in each group with the highest total point score will move into a regular elimination tournament. The second highest score goes into a consolation bracket.

Residents of Antioch, Lake Villa, Salem or Trevor are eligible to enter.

You can keep up on the progress of the tournament by watching the window of the Antioch News. Team pairings will be displayed on a bracket board as will winners.

Lincoln Academy Honors Outstanding Ill. Citizens

The newly-formed Lincoln Academy of Illinois held its first annual Convocation and Awards ceremonies last Thursday honoring thirteen of the state's outstanding citizens for their contributions to progress.

With Academy Chancellor Michael Butler officiating, Illinois Governor Otto Kerner presented The Order of Lincoln to:

Joseph L. Block (Commerce and Industry); Ward L. Quaal (Communication); William Maudlin (Creative Arts and Crafts); James E. Day (Banking and Finance); Richard Gibbs Browne (Education); Adlai Ewing Stevenson (Government); Hon. Judge John S. Boyle (Law); Mr. Rudolph Ganz (Performing Arts); His Eminence Cardinal Meyer (Religion); Avery Brundage (Sports and Athletics); John Bardeen (Science); William A. Patterson (Transportation); and Nathan M. Newmark (Technology).

Featured speaker of the evening was Roger L. Stevens, special assistant to President Johnson on the Arts and chairman of the John F. Kennedy Cultural Center, Washington, D. C. Mr. Norman Ross and Mrs. Walter Paepcke of Chicago, read the

Academy's citations accompanying the awards. Each of the honorees was elevated to permanent membership in the Academy by Chancellor Butler.

The Lincoln Academy is a non-affiliated institution formed this year for the sole purpose of recognizing and honoring these citizens of the state who have contributed in an outstanding fashion to human welfare and progress. It is the only body of its kind in the country.

Chancellor Butler also announced that the Academy will convene annually on or

All of the vehicles being purchased from Stringer's are Dodges.

Dems Offer New Re-Map of House

The newest Democratic plan for re-apportionment of Illinois House Districts would put Antioch in the 32nd District, along with several other Lake County and McHenry townships.

Lake County would be cut into two districts under the plan—one, the 31st, made up of Benton, Zion, Newport, Waukegan, Shields and Deerfield townships; the other, the 32nd, containing the rest of Lake County plus several McHenry County townships—Burton, Richmond, McHenry, Nunda, Hebron, Greenwood, Dorr, Alden, Hartland and Seneca.

Of the Representatives in the existing House, those in the 32nd would be Rep. William E. Hartnett, D-Grayslake; Francis J. Berry, R-Libertyville; Thomas J. Hanahan Jr., D-McHenry and John H. Conolly, R-Gurnee.

The Democratic plan for

House reapportionment is similar to a Republican plan for re-apportionment of the Senate. It is expected that the House reapportionment plan will be passed by the Democratic-controlled House, and be rejected by the Republican-controlled Senate.

The Republican Senatorial re-map plan would make one district out of Benton, Zion, Waukegan, Shields, West Deerfield and Deerfield townships in Lake County. The rest of Lake County, plus a number of eastern McHenry County townships—Algonquin, Burton, Nunda, Richmond, Greenwood, Hebron, Dorr, Grafton and McHenry—would make up the second Senatorial District.

There is speculation that the final result of the reapportionment problem will be adoption of a Democratic plan for the House and a Republican plan for the Senate.

H. Brown To Attend Heart Conference

Harrison Brown of Antioch Community High School will be among the 150 biology teachers from Cook, Lake and DuPage counties who are expected to attend a February 20 conference sponsored by the Chicago Heart Association and three other organizations.

The conference which is held every year, is designed to interest biology teachers in encouraging their students to continue work in this field.

The all-day conference includes lectures in the morning at Mt. Sinai Hospital in Chicago followed by lunch and then a choice of tours of the Chicago Medical School Research Institute, Mt. Sinai Hospital and Schwab Rehabilitation Institute.

The Heart Association's part in the conference is under the direction of the Com-

mittee on Recruitment to the Biological Sciences, headed by Dr. Y. T. Oester, professor of pharmacology at Stritch School of Medicine, Loyola University.

The other organizations involved in the sponsorship are the National Association of Biology Teachers, the Chicago Catholic Science Teachers Association and the Chicago Biology Roundtable.

The Chicago Heart Association's work in the conference is financed through contributions each year to the Heart Fund. The conference is one of the educational programs of the Association.

The CHA hopes through these programs to guide more students into the field of biology and, specifically into heart and blood vessel disease research.

Biology teachers who have not signed up for the conference may still do so by contacting the Chicago Heart Association.

Lake St. Paving Stalled By State

By Marilyn Sterbenz
A letter from the Department of Public Works and Buildings, concerning the widening of Lake Street (Illinois Route 59) within the village, was read by Mayor Murrill Cunningham at a meeting of the Antioch Village Board last night.

In the letter, mutual con-

cern was shown regarding the hazardous condition a narrow two-lane pavement through a commercialized area can cause the traveling public, especially at intersections where records indicate a high accident rate. The letter further stated that funds for specific projects are appropriated on a select-

tive basis, and all revenues for the current year had been accounted for in the 1965 program.

However, the need for widening Illinois Route 59 would be investigated late this year when the department will formulate their 1966 program. The mayor asked that all local organizations make an appeal to their members to write their state representatives regarding the need for an early completion of the above-mentioned project.

In other business Trustee Raymond Toft presented a police committee meeting report which stated that approximately \$24,000 was left of \$48,150 appropriated for the police department. A motion was made and granted to hire a girl to work in the office of the police department to answer the telephone and perform stenographic duties.

A motion was also granted to send Jack Heick to an advanced police training school in Gurnee, and two other officers to a general police course given at Great Lakes. Permission was granted to Trustee Toft to purchase a special polaroid camera to be used to photograph views of accidents and mug shots and also a finger printing machine.

The Main Street parking problem was aired before the board again last night, when village attorney Edward Jacobs and accountant for the village, Norman Jedele, told members of the various interested committees that an appraisal of the property in question would have to be made before any public funds could be made available for the project. Attorney Jacobs stated "when a taxpayers money is being spent, it is not like a personal business transaction, but very often can be long and drawn out".

A new estimate of the project was given as \$87,000. This figure includes not only the building which houses Casey's Tap, but property to the west and south along Broadway, the razing of the building, improvements and blacktopping. The committees plan a joint meeting at a future date.

Trustee David Nissen stated that a meeting of the Zoning and Planning committee will be held in the near future regarding the rezoning of three lots in Oakwood Knolls for duplex dwellings. The mayor suggested that it be an open meeting so interested residents of the surrounding area could be present.

The mayor and clerk were instructed to sign the sewer contract of Lake Forest Sewer and Water for the Victoria St. job. The mayor and clerk were also instructed to sign the well contract of Lane Western upon approval of the village engineer and receipt of a performance bond.

Dr. States Disapproval Of Grade S. Basketball

Dr. James Kopriva registered a protest against interscholastic sports for grade school children at the meeting of the Antioch Grade School Board of Education Tuesday night.

School coaches and some parents, anticipating the doctor's disapproval, were present to express their views.

Dr. Kopriva said he had no criticism of the coaches, but felt that 7th and 8th grade boys were too young to engage in competitive sports such as basketball.

Dr. Kopriva cited a report by the American Medical Association stating that boys of grade school age are physically and psychologically exhausted by competitive sports.

Kopriva said he had asked Antioch Grade school teachers to check scholastic records of six eighth grade boys playing basketball. The grades of all, he said, had dropped since the start of the basketball season.

The present schedule, Kopriva said, with games sometimes slated for Tuesday and Thursday night, is too exhausting for the youngsters.

One game a week, on Friday night, would not be as bad, he said.

Most of those who spoke later agreed that the Tuesday-Thursday schedule was not to their liking. Superintendent Richard Whitaker said that he and Marlan Ware, basketball coach, had opposed the games on school nights at the conference meeting, but had been voted down. They would oppose this schedule more vigorously at this year's meeting, he said.

Marlan Ware, grade school coach, said he didn't believe the games or practice were too exhausting for the students. Investigation might show, he said, that students whose grades had dropped also engaged in other extracurricular activities.

Roger Andrews and Bruce Stahmer both spoke in defense of grade school athletics. Stahmer said he felt boys this age usually had an excess of energy, for which competitive sports provided an outlet.

The board deferred any action on the matter.

The board approved a motion to erect a sign identifying the Oakland School Building.

Lake County Museum Offers New Film

A new sound film on Lake County history now is available for presentation to organizations, according to Mrs. Thomas S. Kiernan, chairman, Speaker's Bureau, Lake County Museum of History.

The calendar for the 1965-66 school year recommended by W. C. Petty was adopted. Announcement was made that Les Sorenson, Elroy Anderson and Richard Whitaker would attend the annual meeting of the Lake County Special Education District on Feb. 24 at Mundelein High School.

It was reported that a Channel Lake School survey indicated that 17 kindergarten students and 14 first grade students will enter school in that district next year.

The Emmons School Board was present to get the feeling of the Antioch Grade School Board in the matter of possible annexation of the Emmons district to Antioch. The Antioch Board said they would be unable to consider the matter before the March meeting.

Organizations wishing to have this program presented should telephone Mrs. Thomas S. Kiernan, MA 3-2411, or the Lake County Museum, MA 3-6413.

Receive News Of Death Of Former Antioch Woman

News of the recent death of Ann King, wife of the late Frank R. King, has been received by friends of the King's in Antioch.

The King's lived in Antioch for many years before moving to Encinitas, California. They were founders and owners of King's Drug Store. They made their home for over 20 years in the house which is now the Antioch Township Library.

Mrs. King is survived by two daughters and a son, also former Antioch residents: Mrs. Lois Pierce, Vermont; Mrs. Winnie Berry, Pittsfield, Ill., and Robert King of Whittier, California.

Motorist Stops Reckless Driver

Tom Steiskal, Indian Point, decided to do something about it when he saw a motorist force five other cars off the road. He followed the driver, Robert C. Krueger, 1024 Lake Shore Drive, to his home and attempted to make a citizen's arrest.

Krueger twice escaped Steiskal's grasp and fled into his home. Steiskal then called police, who jailed Krueger on charges of reckless driving and driving on a revoked driver's license.

Homes Broken Into Near Loon Lake

Three summer homes in East Loon Lake subdivision were broken into recently.

Owners of the three homes lived in Chicago and Franklin Park. It was not known what was missing from the homes. A nearby resident found the homes entered and ransacked.

Car Skids, Youth Thrown Thru Roof

Thomas Huecker, Route 3, Antioch, escaped serious injury when he was thrown through the roof of a convertible in an accident on Route 173 west of Antioch Saturday.

Huecker was a passenger in a car driven by Gerald Sewolski of Chicago. He went through the roof after the car skidded on a patch of ice and went down an embankment. The car rolled over and landed right side up.

Sewolski was given a citation for driving too fast for conditions. Both men were treated at St. Theresa Hospital and released.

Mr. and Mrs. Hans Christensen of 713 Lake St., left Antioch Wednesday for a two month trip to Florida.

War Of Water Control May End Soon

The war between the Lake County Public Works Department and the Water District may soon be over.

Officials of the Lake County Public Water District and the County Board exchanged compromise proposals in a meeting Monday. Water District Chairman William Schwager offered to limit the District's future activities to supplying Lake Michigan water to users. In return, he asked that litigation concerning the Wildwood and Fox Lake Hills area be dropped.

The County Board apparently found the proposal acceptable, although their plan had not included allowing the Lake County Water Corp., which supplies Wildwood, Fox Lake Hills and Chesney Shores.

The County proposal calls for the Water District to confine its activities to supplying Lake Michigan water to users. The Public Works Dept. would handle all supplying of ground water.

More On Wire Tapping

It's rather surprising to find Illinois Bell in opposition to the campaign to make wiretapping legal.

Law enforcement officials have long declared that legalizing wiretapping would be an immense help in the police fight against organized crime.

The fight against organized crime is one in which every citizen, and every business, has a stake. The growing strength of syndicated crime is evidenced in its move into legitimate business, often by strong-arm measures.

The immense wealth of the syndicate makes it possible to corrupt the police officials and politicians who are supposed to be serving the public. Corrupt police are no protection to the general public.

It would be invasion of privacy, say those against the wiretapping measure.

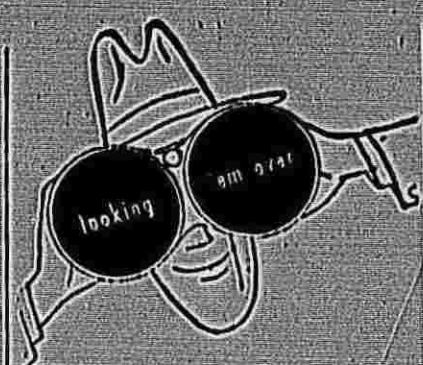

To a certain extent, that's true. The same thing is true of every law enacted. You trade a small amount of your freedom for protection from those who turn freedom into license.

Invasion of privacy? What is greater invasion of privacy than the federal income tax laws, which force you to account for your income and expenditures, and exhibit proof of both?

Wiretapping would certainly put a large crimp in syndicated gambling. Legislators could surely put provisions in any law which would guarantee its not being used to trap the hapless innocent victim.

The innocent person has nothing to fear from having his phone tapped. No responsible judge is going to let recordings of private matters, which have no bearing on crime, become a matter of public exhibition.

It is not the invasion of privacy by legitimate wiretapping which we should fear—it is the invasion of our privacy by those outside the law who have often grown larger than the law enforcement agencies. And it is not too strong a police force that we have cause to fear, but a weak police force whose hands are tied by laws that protect the criminal.

Best news of the week is the perfection of a dependable, long-lasting measles vaccine with practically no side effects. The measles vaccine didn't get the dramatic publicity that the polio vaccine did, but it's probably more important in insuring your child a healthy life than the polio vaccine was.

Goofballs and Viet Nam are big in the news this week. And what a contrast!

By the time you finish reading all the newspaper discussions of the prevalence of drug usage by young people, you're almost convinced that every youth in America is dissolute, thrill-seeking, addict of some habit that transforms him into a brutal killer.

Truth of the matter is, of course, that it's a very small percentage of our young people who would touch a goofball with a ten foot pole. Most of them would have too much sense to even try them once. Others, who might be pushed into sampling some drug, would find the effects too unpleasant to hold any lure.

And in contrast to the lurid accounts of the crimes committed by young addicts and just plain criminals is the story of young men dying in Viet Nam and of the soldiers wounded in that unpredictable war.

The young soldiers come from the same neighborhoods that produce drug addicts, rapists, murderers, thieves. They attend the same schools,

Perhaps this little showfall will lead us to the varmint. More later.

THE LATEST REPORT: While we are on the subject of that frozen bit of fluff, either Tony Scully and J.P. Miller play a different kind of golf game than I play or they change the rules around when the fairways turn white.

An anonymous note tells me that they have played at least once a week all winter. That's what I call a couple of "real cool kooks!" ... Maybe that Sr. Citizen's group is small in number, but there's still room for romance I see! ... My personal snoops tell me Dick Radtke has that "left out feeling". Don't feel bad Richard, remember they named an Almanac after you ... Via the raisin-rope (that's a not too fresh grape vine) we hear some rumbles and grumbles about the 9-9 store hours. Seems the evening hours are not particularly profitable, but the competition forces the other fellow to stay open. Sounds like a "lets lose money together" arrangement.

NOTES TO YOU: Those wide-world travelers, Gert and Wally Good returned this week from a European Tour accompanied by their live-in, the same societies. The difference in their home lives would rarely be apparent to the casual observer. But a difference there must be. We can't believe that children are born who are destined to become murderers.

One cannot have freedom in one direction without giving it up in another direction. We need not be reminded that "we cannot eat our cake and have it too."

Freedom, unlike soil and water, is intangible. We cannot sense it with any of our five senses. We cannot feel it, taste it, smell it, hear it, or see it. Yet thousands of people have died for it, and are today risking their lives to regain it, as witness the "barbarous wall" between free and communistic Germany.

One thing is certain; people know when they have lost their freedom. The people of East Germany, Cuba and other satellite countries know what a loss of freedom means. All too often, people are unaware of their loss of freedom until it is too late. Little by little, bit by bit, their freedom is slowly but surely eroded away until they suddenly discover that their country is not the one they had once loved.

The people of the United States and the free world are engaged in a great inescapable conflict. The enemy is aggressive, persistent, ruthless, and atheistic. Its distorted concept of "truth" implies not love for mankind, with integrity and honor, but "truth" only as it enhances the Communist Cause. Its wavering in course and in methods are deceptive to many people of the free world, but its ultimate aim has been and continues to be world domination.

America is still a relatively free nation because as J. Edgar Hoover stated, "men of faith, men of individualism, men of courage, men of integrity, men of discipline, and men of vision have patrolled her most vital outposts for over 180 years. These strong qualities are the key to freedom."

We must continue to work to conserve our life-giving soil and water resources. But while we expend our efforts to save these for present and future generations, let us make certain that these resources will serve a people who have faith in God and a good measure of individual freedom.

Conservation Of Freedom Discussed By Nicholas

(Following is a reprint of a timely speech made by Ray Nicholas, Lake County Farm Adviser, at a recent meeting of the Soil and Water Conservation District.)
"CONSERVATION OF FREEDOM"—This may seem like an unusual subject to comment on at a meeting of the Lake County Soil and Water Conservation District. Yet there are related principles in conservation, economics, morals, and freedom. During the past several years many farmers in Lake and other counties have carried on various measures to conserve the soil. Millions of tons of precious topsoil have been made secure by means of numerous soil conservation practices.

More recently our attention is being focused on water conservation, a measure closely associated with soil conservation.

But while we have been justly concerned with the conservation of our precious soil and water resources, we are reminded by many leaders that we are gradually losing another one of our great American heritages, our individual freedom.

It has been stated that a government big enough to do something FOR each one of us is also big enough to do something TO each one of us.

Most of the bidding contractors came in with higher bids than their originals, but they reflected increased labor and material costs.

The real shocker was in the electrical contract bids, all of which ranged close to \$100,000 above the earlier price.

It is likely that electrical contractors will be asked to refigure and submit new bids before contracts are let.

It might be well to suggest the electricians do their figuring in separate rooms and at separate desks.

Courthouse Notebook

BY LOU DURKIN

Members of the Lake County Board of Supervisors are essentially a clannish lot who generally hang together on matters touching on the board and the membership even though they may disagree violently on specific issues.

This clannishness no doubt accounts for the lack of action on Waukegan Supervisor John Balen's suggestion that the State's Attorney's office submit a report dealing specifically with the propriety or impropriety of Antioch Supervisor Lloyd Murrie selling gas to the county animal warden.

From this corner it would appear the supervisors, in seeking to close ranks around their compatriot, have actually harmed him by leaving him and the entire board under a cloud of suspicion.

A report from the State's Attorney's office would clear the air and set a clearcut path for the supervisors to follow in future business dealings.

Supervisor Murrie explained the sales were a matter of convenience and pointed out he had suggested Animal Wilbur Turner take his business elsewhere.

Unfortunately, this does not resolve the question nor does it establish any firm policy for the future.

Perhaps it is just as well not to ponder the reaction of the board if Supervisor Balen had been the gas station operator and Supervisor Murrie the inquisitor.

Waukegan Supervisor Robert Dickson did not distinguish himself when he queried the legality of board members enroute to a meeting purchasing their gas from Murrie since they re-

ceive a mileage allowance from the county.

Members of the County Hospital committee and the administration of the Lake County General Hospital are entitled to congratulations on the accreditation of the county facility.

This means that the hospital meets rigid requirements of the American Hospital Association and the American Medical Association and is in the front ranks of hospitals.

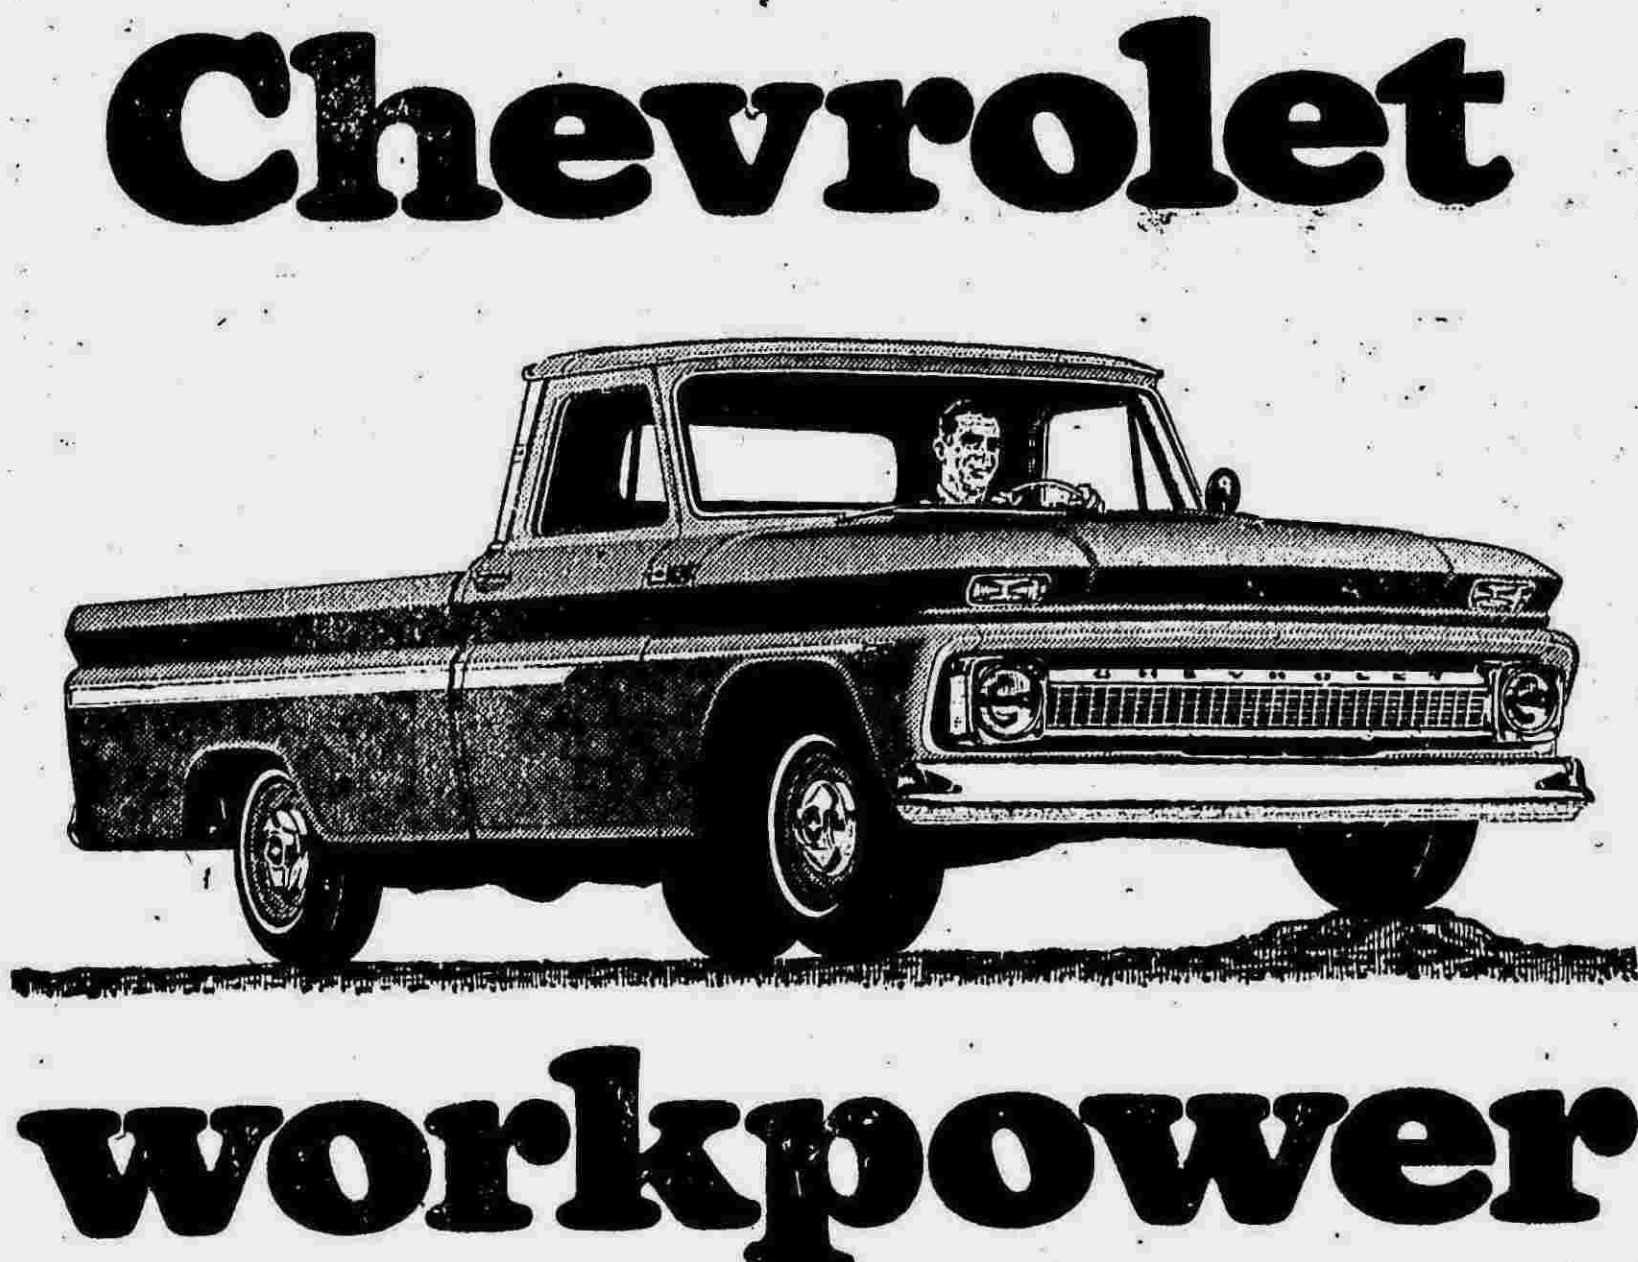

It is unfortunate that a facility of this stature is limited in its service to the community by the suggestion that it is used only by indigent patients or charity patients.

Could it be possible that an expansion of this facility and a new image for the hospital could make possible even better medical and hospital facilities for residents of Lake County who are now facing crowded conditions in most of the private hospitals and are confronted repeatedly with fund raising drives to expand existing facilities?

There is ample room for expansion on the present County Hospital grounds and with the county's financial resources perhaps wider use could be made of this facility.

Bids were opened for the new county building complex last week and Building Commission Chairman August Cepon has indicated he is satisfied with most of them.

Because of the long delay between the original bids and the most recent opening it had been estimated that the cost of the building would be increased as much as \$300,000 or more, but actually the bids were well below that figure.

Harold W. Wilson, who resides of Antioch, is the Secretary of the Lake County Safety Commission. He was appointed as a member of the Commission by the County Board on May 8, 1962.

In private life Mr. Wilson is in the furniture manufacturing business. He serves as town auditor for the village of Antioch and is a past Master of Sequoit No. 127, A.F. & A.M.

In his capacity as Secretary of the Commission it is his responsibility to keep minutes of all meetings and other records as requested by the Commission.

Not too long ago, Mr. Wilson served as Justice of the Peace in Antioch Township.

With this background, his experience is an invaluable source of information.

Being a member of the Education Committee, Mr. Wilson helped to organize the 1964 High School Awards Presentation Program held in Waukegan on April 28, 1964. Through his efforts all high schools in the county participated in the Driver Education program were recognized by the Commission with a safety award plaque.

Films and printed literature are prepared by his committee and distributed to schools and organizations who wish to utilize them.

Mr. Wilson has given generously of his time and talents in the crusade for safety. We, in the Commission, wish to express our sincere appreciation and gratitude to him for a "job well done."

Legion Auxiliary

By Del Jahneke

Tenth District Service Officer F. A. Swenson and Mrs. Swenson, 2nd Div. Sergeant-at-Arms Ed Jahneke and Mrs. Jahneke, and 10th District American Legion Commander George Swenson of the Antioch Legion Post, were among the approximately 100 Auxiliary members and guests who attended the 10th District American Legion Auxiliary meeting, held in the Sharvin North Chicago American Legion Home, on February 10. While there, they heard an enthusiastic and dynamic account by Miss Sally Poe of Libertyville, of Girl's Nation. Since Miss Poe is the first Lake County girl to go to Girl's Nation, it was the first time most of the audience really learned about the Girl Nation program.

Upon reaching Washington, D. C., the 100 girls (two girls from each of our 50 states), were met by National American Legion Auxiliary officers. After they had been registered, etc., at a Conrad Hilton Hotel, they again held a mock election, voting for a proxy Girl U. S. President and Vice President. All the other girls were then assigned a position, such as Secretary of State, Speaker of the House, Ambassadors, etc. Miss Poe was designated as Joint Chief of Staff. She was whisked by a chauffeur-driven limousine to the Pentagon, where she met and visited with General Curtis LeMay, who was then the Joint Chief of Staff of the Air Force.

Since it was approaching election time, and all the officials were extremely busy, only the Girl Nation Proxy President met President Lyndon Johnson. But Senator Margaret Chase Smith, Senator Robert Kennedy, Secretary of State Dean Rusk, and Secretary of Defense McNamara all visited and gave talks to the girls.

The other Illinois Girl States and Miss Poe also met Senators Dirksen and Douglas. Quite by accident, Miss Poe found herself on a nationally televised show "The Senator Speaks" was interviewed. The two girls also had a pleasant visit with U. S. Representative Robert McClory. All the girls were thrilled with the sincerity, courtesy, and friendliness they received from our na-

tional leaders. The last two days of their week in Washington, D. C., all the girls were taken on escorted tours of all the famous buildings, landmarks, etc., by the national American Legion Auxiliary Officers, thus completing a very eventful and exciting visit.

Central High Holds Board Meeting

Routine action was taken on bills, the hot lunch report for January was discussed at a meeting of the Central high school Board of Education Tuesday evening, Feb. 9.

Dormund Grams, athletic director, presented the proposed Athletic and Physical Education budget for the 1965-66 school year.

A progress report was given on the building program, which has been slowed down by weather conditions. Salaries for the teaching staff were discussed but no decision was reached.

In response to correspondence from the Wisconsin Association of School Boards, Inc., regarding the supporting or opposing of the extension of Federal Aid programs, the board voted unanimously opposing such programs.

Look It Over Before You Sign

E. C. Coyle, Jr., District Director of Internal Revenue, reminds taxpayers that they are responsible for all entries and supporting documents in their Federal tax returns. This is true, he said, no matter who prepares the return.

Tax advisors, whether they be taxpayer assistance personnel of Internal Revenue or private practitioners, can only rely upon the information furnished by the taxpayer. Their primary function is to transfer information from the taxpayer to the proper places on the tax form.

Mr. Coyle suggested that the taxpayer seeking assistance should review last year's return and read current instructions first. Frequently, a deduction or item of income is missed because the advisor was not furnished with the necessary information.

Director Coyle emphasized that regardless of who prepares the return, the responsibility for filing the return and liability for any underpayment, interest and possible penalties are the taxpayer's.

Mr. and Mrs. Ernest R. Mehling

Double-Ring Service At St. Peter's Church

A double-ring service at St. Peter's Church in Antioch united Miss Barbara M. Domek of Antioch and Ernest R. Mehling of Libertyville in marriage on Saturday, January 23.

The bride is the daughter of Mrs. Mary Domek, Rt. 2, Box 273, Antioch. The groom is the son of Mr. and Mrs. Ernest Mehling, 643 Meadow Lane, Libertyville.

The wedding ceremony was performed by Father Lawrence Hanley. The bride was given in marriage by her brother, Thomas Domek.

The bride's wedding gown was a floor-length sheath of white satin and she carried white roses.

The matron of honor, Diane Jahaske, wore a floor length sheath of red brocade and carried white mums with red carnations. The bridesmaids, Eleanor Haberkorn and Cynthia Olson, were gowned the same as the matron of honor. Mary Lu Jahaske served as flower girl.

Richard Kraemer was best man. Ushers were Donald Kraemer and Walter Rentz. Robert Kraemer was ring bearer.

A reception for 110 guests was held at the Pasadena Restaurant and Lounge. The newlyweds left on a trip to Pheasant Run Lodge at St. Charles, Illinois.

The bride is a graduate of St. Peter's School and Antioch High School, and worked at the Electronics Supply Office at Great Lakes. The

Bonnie Scripture To Perform In Drum & Bugle Corps

Bonnie Scripture of Route 2, Lake Villa, is one of 800 young people who will perform in a massive drum and bugle corps entertainment in Chicago's Civic Opera House on Saturday evening, Feb. 27.

Bonnie is a member of the Royal Airs, a championship corps which will share the stage with seven other units from around the country in "Symphony in Brass," the first large indoor concert of its kind ever held in the Midwest.

Proceeds of the event will be devoted to expanding the drum and bugle corps movement which, on a national basis, has had outstanding success in preventing juvenile delinquency through music and group activity.

"Symphony in Brass" is being sponsored by Joseph Kadady, 25, publisher of Drum Corps World, a Chicago-based publication.

Garden Club Slates Next Meeting

The next meeting of the Antioch Garden Club will be Monday, February 22, 12:30 p.m., at the Antioch Savings and Loan building. Members are most grateful to the Savings and Loan for allowing them to use their community room, for the past several meetings.

The program will be presented by Dr. Albert H. Slepian of Highland Park, entitled "Culture and Growth of Tuberous Begonias." Dr. Slepian has made a serious study of his hobby, "Begonias," for some time and promises to offer some interesting tips on the care of this beautiful flower.

Mrs. Clarence Klenz will be hostess for the day and Mrs. Edwin Olsen will serve as co-hostess.

PLANS MOTHER & DAUGHTER BANQUET

Plans for a Mother and Daughter banquet was the main topic at a meeting of the Antioch High School Girls' Athletic Association held recently.

Junior representatives Barbara Casella and Joan Lindblad will have charge of all preparations for the affair scheduled for April.

Sophomore representative Frances Grego and the newly elected members, Lynn Fox, Carol Fraser, Carol Hribar, Melonnie Jensen, Linda Sterbenz, and Betty Cheetham will organize a "Daddy Date Night" to be sponsored by the club this year.

The basketball trophy was won by Grace Young and her team.

The highlight of the Third District meeting held at the Antioch Moose Lodge last Thursday evening was when the Waukegan Moose Lodge turned in 16,500 dogfood labels to the Third District.

These labels will help some blind person receive a see-eye dog.

Much sorrow was felt in the passing away of Lester Marshall, secretary of the Highland Park Lodge and also a worker in the Third District.

The executive board of the Winner Legion No. 74 will hold a breakfast meeting at the Highland Park Moose Home on Sunday, Feb. 21, at 9:30 a.m. All Legionnaires and their ladies are invited to attend.

The Antioch Legion of Moose will have a get-together at the Moose Home Sunday, Feb. 21 at 4:30 p.m. A business meeting will be held followed by a pot-luck dinner and entertainment. Bring a dish to pass.

Arthur Anderson of Antioch Chapter No. 525 was made secretary of the Lodge, replacing Robert Avery, who resigned to open up his own business.

MARY AND BARBARA DOST of Troop 213 got ready to canvas their neighborhood selling cookies for the benefit of summer camps.

Girl Scouts Ready For Cookie Sale

"Camping with Cookies" will be the slogan for the 1965 Lakeview Girl Scout Council's Cookie Sale, announced Mrs. Helmut Netzer, chairman. Mrs. Netzer has been working hard to organize the best sale thus far for Girl Scout cookies.

Mrs. True Whittier is the co-chairman of the sale, and fifty other women from the ten neighborhoods of the council are ready to act as Neighborhood Sales Chairmen for the sale, to be held February 19 through March 5.

Here in Sequoyah neighborhood Mrs. Donald Gable and other women will be

helping the Junior, Cadette, and Senior Girl Scouts to set up booths, organize the advance orders taken by the troops, arrange delivery stations, and help guide the Girl Scouts through a successful sale.

Proceeds from the Girl Scout Cookie Sale are used for troop program supplies and activities, but the major portion is used by the Council to extend the camping program. In order to keep the camping fee paid by the girls as low as possible, profits from the sale of cookies are used to purchase land, buildings, tents and camping equipment for use by all girl scout troops in the North Lake County area.

Scouts "Camp Out" Indoors

In observance of the Boy Scouts' 55th anniversary, a camp site was set up in one of the vacant stores in Linden Plaza all last week. Three small tents and one large tent was pitched. A camp fire was ready to be used, but wasn't. A log had been chopped, and an ax was in view, showing that it had been used. A mail bag was in view, showing where the mail was kept. A display of the different types of knots the boys can make were in sight. Also a wooden paddle, to be used for disciplinary use only, was standing by, ready to be used. Every night last week the scouts, leaders, and committee men were seated at tables in the store, eagerly waiting to be asked questions concerning scouting.

The first night camp was set up, Mike Pearce, Jim Bittner, Tom and Don Houghton, Jack Blue, Dale Nelson, Mike Bailey, Jerry Zanzola and Mike Hartwig "camped out" indoors. Jim Hartwig, scoutmaster, and Willis Racht, assistant scoutmaster, spent the night with the boys. Gary Hunt and Don Carlson had helped the aforementioned boys set up their camp.

Sunday morning each boy attended his own respective church. Hartwig and Racht accompanied 15 Cubs and Boy Scouts to Prince of Peace Church.

Hospital Board To Proceed With Plans

A committee appointed to appraise plans for Country-side Hospital reported to the Board of Directors at a meeting Tuesday night that they felt the Hospital Board should go ahead with their plans. The committee met with Hiram Sibley, a representative of the Chicago Metropolitan Hospital Planning Board. Mr. Sibley pointed out weaknesses in the Hospital planning to date.

Sibley said that the people of West Lake County should be commended for their desire to build a hospital. There is no doubt, he said, of the need for one in this area.

Sibley reported the committee felt that a 300-bed hospital is needed, but that lacking funds for such an ambitious project, "they must start somewhere." He recommended an original plan costing about \$1,000,000.00. The board voted to continue plans for the hospital concentrating on provisions for more precise planning called for by the Planning Board.

The Board of Directors also set the dates of May 30 and 31 for the 2nd annual Horse Show at the Lake county Fairgrounds. They hope to make this an annual fund-raising event for the hospital.

Harry says the flock of birds paused long enough to clean up the berries left on a mountain ash in a neighbor's yard.

Sequoits Nail Down NW Suburban Title

Sequoits Stop Ela Vernon 75-54, Lose To Grayslake

TOM BLACKMAN lays it in for two points in the game against Ela Vernon Thursday night. The Sequoits captured the Northwest Suburban Conference Championship Thursday by beating Ela 75-54.

SEQUOITS STOP ELA

Antioch's Sequoits captured their first Northwest Suburban basketball title since the 1959-60 season Thursday night when they defeated Ela-Vernon 75 to 54 on Antioch's court.

The victory gave the Sequoits an 11 and 1 record in conference play, clinching the championship. Lake Forest, in second place, has four losses with only two games remaining.

It was very close for the low scoring first period as neither team could find the range, the period ended with Ela-Vernon on top of a 12 to 11 count.

Bob Schmitz and Mike Sterbenz got the Sequoits moving in the second period, sparking their team to a 21 point spurt. Ela dumped in 15 to trail at intermission 32 to 27.

Antioch hit the nets for another 20 points in the third quarter while holding the Bears to a meager 13 counters. The Sequoits continued to dominate in the final quarter as they put the game out of reach with a 23 point effort.

Antioch controlled the boards in spite of the absence of injured pivot ace, Vic Rogers. The Sequoits hauled in

58 rebounds to only 21 for the Bears. Tyrone Walls did most of the work, getting 17. Bernie Smith helped out with 10 while Sterbenz and Tom Blackman added 9 and 8 rebounds, respectively.

The Sequoits showed balanced scoring again with 3 hitting in double figures. Schmitz and Sterbenz led the attack with 18 points each, and Blackman added 16. Jeff Clink for Ela-Vernon led all scorers with a 21 point effort.

LOSE TO GRAYSLAKE 57 TO 51

With the NW Suburban title in their pocket the Sequoits hit a cold night Saturday and were upset by Grayslake 57 to 51 on the Rams' court.

The Sequoits hit only 28% from the field, their poorest of the season, while the Rams were pouring them in at a .380 clip. "Our lack of rebounding in the first half hurt us too," said Sequoit coach Roger Andrews.

Grayslake dominated the boards in the first stanza but the Sequoits came back in the second half to gain a 43 to 31 rebounding edge for the game.

Grayslake moved into a first quarter lead as they rattled the Sequoit defense

for 22 points while the Antioch quint hit for only 11. Antioch's defense stiffened somewhat in the second period as they held the Rams to 12 points but still dropped farther behind as they cashed only 10 for themselves.

Trailing 34 to 21 at the beginning of the second half the Sequoits rallied to close the gap to five points at the end of the third period.

With the score 42 to 37 at the beginning of the final stanza the Antioch quint continued to narrow the gap, coming to within three points at one time in the middle of the quarter.

Grayslake held on, however, and outpointed the Sequoits 15 to 14 in the fourth period for the final six point margin.

Tyrone Walls led the Sequoits in scoring with 14 points and did a fine job on the boards, grabbing off 9 rebounds. Sterbenz followed in the scoring statistics with 13 points.

The Sequoits will play host to Wauconda for their home court finale Friday, marking the last conference game of the season. Antioch will go to Zion Saturday for their last game of the regular season.

Antioch Awana Pioneers Take 1st Place Trophy

The annual Lake County Olympic Meet for Awana Clubs was held Saturday, Feb. 6, at the Zion High School.

In the boys' first year of competition, the Pioneers (grades 6 through 8) won first place. Trophy winners were Richard Dobson, Jerry Ensign, Carl Knutsen, Steve Knutsen, John Shick, Mark Shick, Lowell Thiele, Laurence Thiele and Bob Anderson. Scott Wilson and David Krieger substituted. Bob Anderson, also won an individual trophy for the fastest time in the sprint, against eight competing teams. The trophy will find a welcome home at the Evangelical Free Church, where the clubs meet.

The Pals (grades 3 through 5) put up a great fight to come up with second place. The Pals and Pioneers competed against clubs from Lake Villa, Gages Lake, and Bonnie Brook.

The girls' Chums (grades 3 through 5) and Guards (grades 6 through 8) tried hard, and tied Fox Lake for third place, in very stiff competition against Grace Missionary and Christian Catholic of Zion.

The games are part of the weekly club meetings (boys Wednesdays 7-9 p.m.) and girls Friday, 7-9 p.m.) which also include Bible memory work, Bible drills, singing and devotions.

decision when the match score was still tied up after two over-time periods.

The Sophomore grapplers fared better at the Conference Tournament despite the elimination of two top wrestlers with illness and injury.

The Sophs placed 6 wrestlers with Don Miller leading the way with a Championship at 165. Also placing were Dan White, 2nd at 120; Torrey Drucker, 2nd at 127; Howard Zimmerman, 2nd at 147; Dan Toman, 4th at 103; and Chuck Powell, 4th at 145.

Modified Sportsmen Rules Now Available

The 1965 modified and sportsmen stock car rules and regulations governing the building and running of the two types of cars on local area tracks have just come off the presses and are now ready for distribution according to Midwest Speedways, Inc., publishers of the 20-page booklet.

The rules apply to cars competing at Hales Corners, State Fair Park and Cedarburg Speedways, promoted by Midwest Speedways, Inc., and John Kaishian, and at the Slinger Speedway, promoted by Holland Heder and the Beaver Dam Raceway, operated by Hal Woods. The five tracks, together with the Milwaukee Stock Car Racing Association, headed by Ernest (Fuzzy) Fassbender, Jr., were responsible for drawing up the rules.

Basically, the rules remain the same this year with a few added improvements to further stress the safety aspect of the cars. Frames must have a cross member under the seat to prevent the drive shaft from bursting through the floorboards and hitting the driver. A guard beneath the shaft is also necessary to catch a broken shaft before it hits the ground, digs in and causes a rollover type accident.

Fuel tanks will not be allowed outside of the car this year. They must be enclosed within the body and hidden from view. Additionally, as in the past, they must be in the rear of the car and must be protected with a full solid firewall between the tank and the driver.

Aluminum hubs, which in many cases last year had proved to be inadequate, are not recommended for use this season. All wheel inserts should be reinforced and all bolts have to be doubly secured.

Sportsmen rules remain the same with the only addition being that the right rear wheel, as well as the right front, must be reinforced this season.

To improve on the racing program itself, double file (or tandem) restarts will be experimented with this year when restarts are made necessary because of track accidents. This is designed to keep the field more closely bunched and to provide fans with more competitive action.

Additionally, there will be no on-the-track adjustments after a red flag has stopped the race. All cars that are able must return to the starting line. Those requiring service must first pull into the pit area and then return to the starting line when they are ready. Anyone repairing his car or making adjustments on the track while the race is being realigned may be penalized by a lap or more. A black flag will also be given to cars not racing but merely driving slowly around the outer perimeter in order to gain a few extra

laps. That car will be considered a hazard to the race and will be removed.

One major recommendation has been added to the rules booklet this year and is one that is expected to become a mandatory ruling in the near future. The recommendation asks that modified cars revert to a dual exhaust systems in order to lessen the high pitched "screaming" noise being generated by the powerful engines.

The Hales Corners and Slinger Speedways will again be the first tracks to open. Target dates are tentatively set for May 8 and 9 respectively.

Copies of the booklet are available by writing or stopping at the Midwest Speedways, Inc., office, 6646 West Fairview Avenue, Milwaukee, Wis., 53213. They are available to registered drivers and owners, without charge and to other tracks and associations and promoters on an exchange basis.

672 High Series In Men's Singles

The second week-end of bowling in the Antioch Singles Tournament is coming up, with 672 the high score to date.

Two men are tied with the 672 total, Richard Hearn of Chicago (high game, 232) and Don Burza of Highland, who tossed in a 265 while rolling his high score.

Next in the scorings are Dennis Swanson, Antioch, with 670, and a 235 game; Eddie Miller, Waukegan, 662 (235); Hollis Tallman, Great Lakes, 661 (243), and Chuck Needham, North Chicago, 655 (257).

Bowling in the tournament starts at 10 a.m. Saturdays and continues through the week-end. Reservations may also be made for afternoons through the week. The tournament ends at 1 a.m. March 1.

First prize in the popular tournament is \$500.00, with one-out of every ten entries getting in on the money.

Some of the entries for the coming week-end include the Vogels from Forest Park Recreation, former ABC champions, bowling at 6 p.m. Saturday; at 7 p.m., leftie Bob Lindblad, Antioch; at 7:20, Dick Petersen and a squad from Lake Forest Recreation; at 8 p.m. Barl Berger, Gene Chioles and John Kennedy from the Chicago Classic; at 9:30, "Crusher" Art Wertz and Ted Ozga, Antioch, and at 10:20, J. Bernardi, owner of the Strike and Spare Lanes.

Sequoit Wrestlers Finish With Conference Meet

Antioch wrestlers completed their dual meet season last week with a loss to Conant High School of Palatine. Winners for Antioch were Masaji Okubo at 103, Terry Eckert at 165, and Brad Ipsen at Heavyweight.

The Fresh-Soph lost to Conant 25-23. Two of the teams top wrestlers, Terry Drucker and Don Miller, had been moved up to the varsity squad.

At the Varsity Conference Tournament at Lake Forest, Antioch finished 7th in the conference out of eight teams. Antioch's chances of finish-

ing higher, were smashed when top wrestlers Masaji Okubo, Brad Ipsen, and Jim Sheppard were eliminated in the first round.

Sheppard drew Don Uselding of Grant for his first match. Uselding, who had not been seeded because he had wrestled most of his matches in another weight class, went on to win the 133 pound title.

Placing for Antioch were Ken White with a 4th at 138, Terry Eckert with a 4th at 154, Stan Revell with a 2nd at Heavyweight, and John Sheppard with a 2nd at 127. Sheppard lost on a referee's

Amana Colonies Vignette:

On U. S. 6, west of Iowa City, Iowa, are the Amana Colonies. . . . founded 108 years ago, they still retain much of their early American beginnings. . . . a wonderful place to visit and shop. . . . fine woolen goods are produced in the Amana woolen mill. . . . a walk through it is most interesting, but noisy. . . . handmade furniture also can be purchased at a wood-working shop. . . . many of the original homes and barns which were white trimmed and garlanded with flowers are still standing, but now weather-grayed. . . . many of the traditions of the past also are in evidence. . . . such as the black breeches worn by the men and the black bonnets and aprons worn by their wives. . . . Amana is the place to stop if you enjoy a hearty German meal served family style. . . . two excellent restaurants, located next to each other, are the Ox Yoke Inn and The Ronneburg. . . . with dinners from \$1.75 to \$3.75. . . . lots of sauerbraten, schnitzel, dumpling soup and apple torte served up in a quaint atmosphere. . . . it will be hard to abide by the old Amana warning not eat to to dullness. . . . —Carl Kay

I'm intrigued by the idea of that fellow in San Francisco who figured out a way to be helpful to demonstrators. . . . his suggestion is to distribute a circular that might read as follows:

"Picket by mail! Tired of standing in those long, hot lines day after day? Now you can avoid the crowds and demonstrate from the comfort of your own living room. Simply fill out the enclosed card and . . ."

FRIENDLY NOTE

How about my doctor friend, Basil Metabolism? —Mina Roth

At Spang writes there's no such thing as a perfect driver, unless you're thinking of the one following a police car.

RECORD HOLDER?

Chicago — (Dear Pointers): Have I set a record of some sort? I was in San Francisco and didn't go to Chinatown, Fisherman's Wharf or The Top of the Mark. . . . I was in Los Angeles and didn't see the Farmers Market, Hollywood and Vine or a sin-

gle movie star. . . . and I was in Seattle and didn't see the Space Needle, the Floating bridge or Mt. Rainier! —Terry the Traveler

INTERVAL

Please remember not to follow the car ahead too closely. . . . leave plenty of room, in case of a sudden stop or turn. Some 40% of expressway accidents are caused by tailgating. . . . avoid death or injury by keeping a decent INTERVAL.

You can make this tired scribe happy with a joke or poem. . . . send to me at 7447 Skokie Blvd., Skokie, Ill.

AT&T Reduces Station to Station Telephone Rates

A daytime interstate station-to-station telephone call anywhere in the continental United States will cost \$2 or less for three minutes beginning April 1, the American Telephone and Telegraph

has announced. The present maximum for such a call is \$2.25.

Rate reductions, ranging from five to 25 cents in the initial three-minute charge, are being made in all daytime interstate station-to-station telephone calls of 601 or more miles. Reductions are also being made in the charges for additional minutes beyond the initial period.

The rate changes, to be filed by the Bell Telephone Companies with the Federal Communications Commission, represent the second step in the \$100 million reduction in Bell System revenues announced last November, \$75 million of which was made effective on February 1. Based on 1964 telephone volumes, the new daytime rates are expected to result in sav-

ing to the public of about \$25 million annually. The April 1 reduction will be primarily of benefit to business, since most daytime long distance calls are made by business customers. The \$75 million cut of February 1, on calls made in evening hours and on week-ends, is of primary benefit to residence users.

Stranger voice at the other end of the wire: "You must have dialed the wrong number."

Chiller: "Are you sure?"

The voice: "Have I ever lied to you before?"

One nice thing about money is that the color never changes with any outfit you're wearing. —Wilfred E. Weaver

Bi-State League

Thursday, Feb. 11

Dalgaard's Certified, hot on the heels of Haydon Homes, the front running team, rolled up the top series of 2910-1024, in the sizzling hot race, and won two games from Antioch Bowl and remaining 2 1/2 games out. Dave Hay blasted 629 and Russ Dewar 587 for Dalgaard's and Gino Picchetti led the Bowl five with 593.

A duo consisting of Jim Graham (623) and Rodger Kruse (558), sparked the Colonial Funeral Home in their two game decision over Beau-ti-Vue Products (Don Ward 560). The leading Haydon Home quintet (Ted Oza 573) won two games from Antioch Lumber (Leroy Gallagher 608).

The hot Gibbs & Jenson five won 3 games from Channel Lake Inn, to remain 3 1/2 games off the pace. Bill Christianson rolled 563 to lead Gibbs. Strike Spiller Nick Badame enjoyed his finest hour with a triplet of 614 and his team, Weasol's Lounge, took 2 games from Pasadena Lounge (Jerry Ehrhart 549). The top five are:

Haydon Homes 41 22%

Dalgaard's Cert. 38 24%

Gibbs & Jenson 37 25%

Ant. Bowl Tigers 30 27%

Antioch Lumber 35 28%

Life Saver

"Ever been behind a big truck on a busy two-lane highway? The situation has happened to most of us many times. You fret and complain as you crawl along—one in a long line of cars pinned behind the slow moving truck, unable to pass in the face of heavy on-coming traffic.

"What happens? Some one in the long line, unable to stand the suspense any longer, starts taking chances, trying to dodge in-between cars and around the truck, and far too often becomes a fatal statistic.

Four-lane super-highways are nice of course, but so expensive that they cannot be built everywhere. What would be wrong with just adding an extra lane for a short distance on both sides of the regular 2-lane road, say every five or ten miles. The truck would have to use that outside lane, while the cars, piled up behind, could go on their way. The cost would be small when compared with the cost of building superhighways, and the saving of lives would be great."—The Sullivan Progress.
